Dear Parents-

Welcome back! The staff and myself are looking forward to an exciting and productive school year with your children here at CCP.

The children have adjusted nicely and have been getting into a routine.

For those of you who are new to our program please feel free and stop by if you have any questions that I could answer, if not just to say hello.

Please remember to label all of your children's belongings.

We have a new addition to our staff this year, her name is Donna Ross. We are excited to have her. Some of you may already know Donna as she has been a long time native to Half Moon Bay.

She has worked in the community teaching and has worked with various ages. She will be taking over Fran's Class and looks forward to getting to know the parents and children here at CCP.

For those of you who know Fran, we won't ever let her fully leave us. She has tried to retire for years but we keep asking her to come back. She will continue to greet you in the morning, as we are lucky to have her for the morning hour.
