SEPTEMBER NEWS 2010

# BACK TO SCHOOL!!!

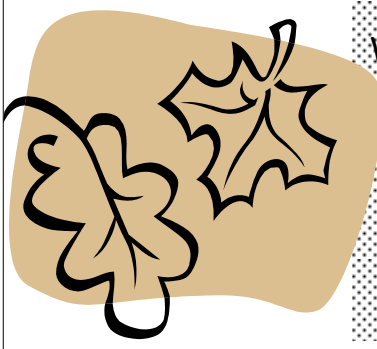

In addition to our classroom projects and activities and Book Buddies and Healthy Habits we will be continuing our work in our garden over next to Room C (near HWY 1). It really came to "Life" over the Summer. We will also have our weekly homework time. Our outside time will include walking field trips.

As we settle back in to a new school year, I hope everyone had an enjoyable Summer. The students will be reconnecting with friends they missed over the Summer as well as fostering new friendships. In addition to our monthly newsletters there will also be mailboxes to check for invoices, announcements and the like. You will usually find them with the sign-in/out books. Please feel free to check in any time with any questions you might have with me or your child's teachers.
