

Coastside Children's Programs

Week 6:

July 18 - 22,
2011

SUMMER CAMP

CCP Half Moon Bay

Dear Parents,

We have several special programs that children participate in all year long. We know that you depend on the warm and safe child care, but we are offering much more than just that. One of our programs is called Healthy Habits. We have had the program for the last several years for just the preschool and Kinder groups, but started to bring the project to all the age groups just this last year. This included a "Social Walk A Mile" at our El Granada site and many nutritious cooking projects that came along with discussions about vitamins, trying new foods, and food preparation safety. Another project that we're still growing is the Junior Land Stewards program that we just piloted in the Spring season. Children discussed whether cats were "native" to the Coastside and what goes on inside of an ant hill – questions that popped up during trips to local open spaces with the Coastside Land Trust team.

We also wanted to apologize for the misprint on the trip to the Coastal Repertory Theater last week – we were unable to go.

Best,
CCP Summer Camp Counselors
& Directors

SPORTS HIGHLIGHTS

This week's sport is Hockey. Mornings will be reserved for skills and drills, lunch time for some sportsmanship talk, and afternoons for games. This is street hockey without the wheels/skates.

EXPLORING HIGHLIGHTS

Bingo
Sand Art
Field Trip: San Carlos Airport
Cooking: Spaghetti
Relay Races
Juggling
Bean Bag Toss
Face Painting

IMPORTANT REMINDRS:

- Both camps will be going to Airport Day at the San Carlos Airport next Wednesday, 20, 2011 from 9:30am-3pm (lunch will be provided).
- Sunscreen is a must for the summer sun (even in the Coastside)! We will remind campers to put it on.
- Remember to bring your bike if you'd like to participate in the Coastal Bike Ride on Friday.
- Swimming Thursday is \$5, please sign up each week in the classroom: towel, sunscreen, and sack lunch are musts (extra change of clothing optional depending on the camper).
