

September 2009

Dear Elementary School Parents,

Welcome back to school!

This letter is to remind you that Coastside Children's Programs (CCP) is the nonprofit before/after school child care and enrichment center located on the grounds of Hatch, El Granada and Farallone View Elementary schools.

CCP is open year-round from 7 AM – 6 PM as well as during many school holidays. CCP keeps a low teacher-student ratio, offers a variety of activities to help kids develop social and academic skills (including help with homework), AND there's room for just plain fun and "down" time. Your children simply walk across the playground to our centers.

NEW THIS YEAR!

We've opened a New Preschool at CCP Montara located on the campus of Farallone View Elementary for children ages 2.5 to 5 years. A caring and nurturing environment, our preschool offers play-based experiential learning, kindergarten-readiness activities, a brand new playground, and skill development tailored to each child. (CCP also has a preschool in downtown Half Moon Bay. Potty Training offered at both preschools!) Please call Josephine at 728-7419 to reserve your spot.

Also new this year is our Tuesday Spanish Immersion Club at El Granada Elementary School from 1:15 – 3:00 PM. We have a limited number of spaces available for this once-a-week language and enrichment class; please call Mayra at 712-7415 to register.

CCP staff works closely with families to learn about each child's needs and works with you on any special circumstances you may wish to address: academic, behavioral or social.

If you need a safe, supervised and friendly preschool or after-school experience for your child, or perhaps you need drop-in care every once in a while, please come by the CCP centers to meet with our Site Supervisors.

Have a wonderful school year!
