ADMISSIONS POLICY AND AGREEMENT

One of the most important components of our Child Care Program is you! It is because we believe that parents/guardians are an important part of our team that we encourage parent participation through volunteerism and parent meetings. Parent meetings in particular are useful forums to communicate ideas and information regarding Center programs. Your involvement and input are greatly valued, and you are always welcome in the Centers!

PLEASE READ THE FOLLOWING CONDITIONS OF ADMISSIONS AND SIGN BELOW:

I understand that the following procedures are required as conditions of enrollment in Coastside Children's Programs' Child Care Centers:

1. I understand that CCP is taking all necessary precautions to ensure the health and safety of children and staff during the COVID-19 pandemic. I understand enrollment and participation during the COVID-19 pandemic is at our own risk.
2. Sign-In and Sign-Out must be completed DAILY. My full signature and note of time drop-off and pick-up of my child is required for every day my child is enrolled in the Center. This is a binding legal contract with CCP.
3. If my child will be absent from the Center for ANY reason, I will call and notify the Center of the absence.
4. If my child is absent for more than 3 days due to illness, a doctor's note may be required before s/he is allowed to return to the Center.
5. I have read and completed all Enrollment packet documents and have returned them to the Site Director or an Assistant Director.
6. I am responsible for providing the Center with any changes to my child's Emergency Contact Information (phone numbers, addresses, doctor, etc).
7. The Department of Social Services/Community Care Licensing has the right to visit and inspect any child's file and to talk to children at any time to ensure the health and safety of all children.
8. I have completed and signed a Contract for Services for my child, and understand the basic services, payment provisions and other requirements as stated. Or, I understand that as a drop-in family that our space is not guaranteed unless we have put together a Contract for Services for my child.
9. The Centers are open from 7:30 am to 5:30 pm, Monday – Friday. I am expected to drop off and pick up my child(ren) within my contracted hours/days.

Good and frequent communication between you and the Center staff is important for your child's health, happiness and positive development – as well as your feelings of well being while you are away from your child! Please share your reservations, suggestions, etc. with us.

We hope you and your child enjoy your time with Coastside Children's Programs. Thank you for participating in our program!

TERMINATION OF SERVICES School Age

CCP strives to maintain a safe and nurturing group environment for children. The behavior of any child can impact that sense of safety and nurturance for any other child. Children are expected to conduct themselves in such a manner that they and their classmates will gain the most from their CCP experience. CCP provides many opportunities for children to develop respect for others and the ability to work, and learn together. CCP follows the same policies as the CUSD (California Educational Code 48900 & 48915) pertaining to Suspensions and or Expulsions.

Therefore, CCP reserves the right to determine if a child needs to be suspended or expelled from the program if in our best judgment we deem the child's behavior "unacceptable." Typically this means that the child is a danger to himself/herself or others with the supervision that we typically provide in our group settings.

For your information, the California Educational Code 48900, Grounds for Suspension or Expulsion, has been summarized below:

- a. Caused or attempted to cause or threatened to cause, physical harm. Willfully used force or violence upon another person.
- b. Possessed, sold, or furnished any firearm, knife, explosive or other dangerous objects.
- c. Possessed, used, sold, furnished, or under the influence of any controlled substances, an alcoholic beverage, or intoxicant.
- d. Offered, arranged, or negotiated to sell a substance represented to be a controlled substance, but which was not such.
- e. Committed or attempted to commit robbery or extortion.
- f. Caused or attempted to cause damage to school (CCP) property or private property.
- g. Stole or attempted to steal school (CCP) property or private property.
- h. Possessed or used tobacco in any form.
- i. Committed an obscene act or engaged in habitual profanity or vulgarity.
- j. Possessed, offered, arranged or negotiated to sell any drug paraphernalia.
- k. Disrupted school activities of defiled valid authority of any school (CCP) staff member.
- l. Knowingly received stolen school (CCP) or private property.
- m. Possessed an imitation firearm.
- n. Committed or attempted to commit sexual assault and /or sexual battery.
- o. Harassed, threatened, or intimidated a pupil who is a complaining witness in a school (CCP) disciplinary proceeding.
- p. Committed sexual harassment
- q. Caused, attempted to cause, threatened to cause, or participated in an act of hate violence.
- r. Harassed threatened or intimidated a pupil or group of pupils.

Education Code 48915 Expulsion Mandatory or Quasi-Mandatory (with particular circumstances)

1. Caused serious physical injury to another person, except in self-defense.
2. Possession of any knife, explosive or other dangerous object of no reasonable use to the pupil.
Possession of any controlled substance, except for first offence for the possession of not more than one ounce of marijuana.

3. Robbery or extortion
4. Assault of battery upon any school employee.
 - a. Possessed, sold, or otherwise furnished a firearm.
 - b. Brandished a knife at another person.
 - c. Sold any controlled substance.
 - d. Committed or attempted to commit sexual assault of sexual battery.

Parents should expect to be notified during any day in which, in our judgment, a child creates a dangerous or abusive situation for children and teachers. The child must be removed for the rest of that day, possibly longer, depending upon the nature of the situation. In the event of our calling for temporary removal, we will inform the parents of the duration of suspension or of the conditions for return.

Under ordinary circumstances, we strive to notify parents early if we see challenging behaviors, discuss a plan of correction with them, and if the problem repeats we will notify them in writing of the need to remove the child from our program. If circumstances permit, in our judgment, we will give them sufficient notice to make alternative arrangements unless there is an immediate risk to teachers/children in the class. We generally do not seek to end a child’s participation unless the child’s behavior becomes a persistent problem for them and others (or escalates out of control consistently) that is not manageable within our ordinary program resources and format.

We reserve the right to temporarily or permanently expel a child for disciplinary reasons without notice, especially under abusive, threatening, or dangerous circumstances, if in our judgment one of these conditions exist. In such a case tuition will NOT be refunded.

Other situations that may result in immediate service termination other than what was stated above is a follows:

- Physical violence or threat of physical violence by the parent/guardian to the staff, children or other parents/guardians.
- Parent/guardian habitual use of profanity, vulgarity, obscenity, or racial and other discriminatory remarks.
- Continued disregard for policies governing the use of the building and equipment.
- Falsification of information.
- Chronic late pick-ups.
- Failure to pay tuition and/or penalty fees (according to our contract).
- Children who, at no fault of their own, have extraordinary needs that CCP is unable to accommodate within our program(s) (such as one on one support)

Note: A parent/guardian who has had child care services terminated may not re-enroll the child(ren) again for a minimum of six months. CCP reserves the right to refuse services or to accept an application for re-enrollment.

IMPORTANT INFORMATION FOR PARENTS

CAREGIVER BACKGROUND CHECK PROCESS CALIFORNIA DEPARTMENT OF SOCIAL SERVICES

The California Department of Social Services works to protect the safety of children in child care by licensing child care centers and family child care homes. Our highest priority is to be sure that children are in safe and healthy child care settings. California law requires a background check for any adult who owns, lives in, or works in a licensed child care home or center. Each of these adults must submit fingerprints so that a background check can be done to see if they have any history of crime. If we find that a person has been convicted of a crime other than a minor traffic violation or a marijuana-related offense covered by the marijuana reform legislation codified at Health and Safety Code sections 11361.5 and 11361.7, he/she cannot work or live in the licensed child care home or center unless approved by the Department. This approval is called an exemption.

A person convicted of a crime such as murder, rape, torture, kidnapping, crimes of sexual violence or molestation against children **cannot by law be given an exemption that would allow them to own, live in or work in** a licensed child care home or center. If the crime was a felony or a serious misdemeanor, the person must leave the facility while the request is being reviewed. If the crime is less serious, he/she may be allowed to remain in the licensed child care home or center while the exemption request is being reviewed.

How the Exemption Request is Reviewed

We request information from police departments, the FBI and the courts about the person's record. We consider the type of crime, how many crimes there were, how long ago the crime happened and whether the person has been honest in what they told us.

The person who needs the exemption must provide information about:

- The crime
- What they have done to change their life and obey the law
- Whether they are working, going to school, or receiving training
- Whether they have successfully completed a counseling or rehabilitation program

The person also gives us reference letters from people who aren't related to them who know about their history and their life now.

We look at all these things very carefully in making our decision on exemptions. By law this information cannot be shared with the public.

How to Obtain More Information

As a parent or authorized representative of a child in licensed child care, you have the right to ask the licensed child care home or center whether anyone working or living there has an exemption. If you request this information, and there is a person with an exemption, the child care home or center must tell you the person's name and how he or she is involved with the home or center and give you the name, address, and telephone number of the local licensing office. You may also get the person's name by contacting the local licensing office. You may find the address and phone number on our website. The website address is <http://cclid.ca.gov/contact.htm>
